

Reach Engaged Audiences with Our Reward Platform

Our Reward Platform is a proprietary, performance-based medium, connecting advertisers with engaged audiences. Additionally, you can leverage our vetted rewarded partners. Explore the options to boost user acquisition and drive long-term engagement and retention.

Offerwall

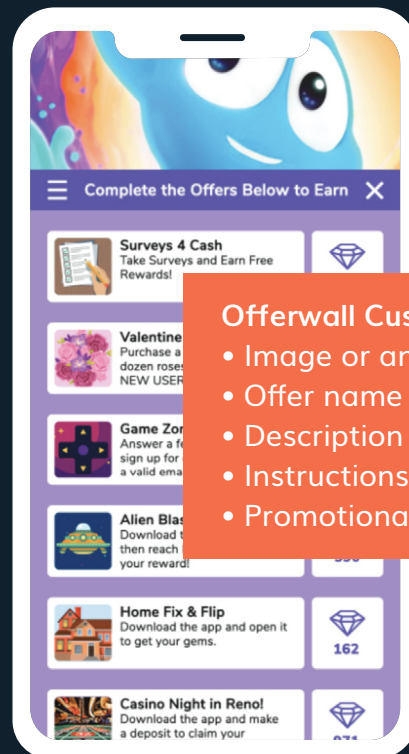

- Non-intrusive ad unit that is entirely opt-in.
- Usable across all stages of the user journey from top-funnel events like registrations and lead generation to deep-funnel events, such as paid subscribers and in-app purchases.
- Multiple campaign types available, including CPI, CPE, CPA, and CPC across
- Android, iOS, mobile web, and desktop.
- Strong partnerships with top developers and publishers.
- Common creative sizes: 100x100 App Icon.

Feature Placements

- Standalone placement that offers premium exposure for ads.
- Top-performing campaigns that drive additional volume and offer visibility.
- Common creative sizes: 300x250, 320x50, and 120x60.

More Inventory Opportunities

- Options to use our rewarded partners to expand reach and scale.
- We professionally vet all partners.

Offerwall Customizations:

- Image or animation
- Offer name
- Description
- Instructions
- Promotional icon
